

HOMING IN

Words: Ian and Luke Music: Luke and Trad.

Commissioned by The Sage Gateshead for the Festival of Words and Music, 2010.

*A home in every wing-beat
A home in every wing
Gliding in the wake
Till you find you're homing in*

*The pathway of your flight
Meets the pathway of your song
Follow every beat
To the place where you come from*

A wing-beat
And home is getting closer
A wing-beat
And home is getting nearer
Only a wing-beat to carry me home
Only a wing-beat to carry me home
